Internet Resources

Cox - First 60 days free for low income K-12 students

<https://www.cox.com/residential/internet/connect2compete.html>

set up for Internet services through Cox's Connect 2 Compete program:

- Food service can provide the letter of proof for free and reduced fee lunch
- Gina Smith would like to email the proof of free and reduced fee lunch letter directly to the parents
- Cox is being very particular about the letter. **It must have the parents name** on it as well as the child and it must be typed, not handwritten (Gina tried to write this information in but they won't accept it)
- Cox said you can skip the phone number* but **MUST** have an email because it is required to send the necessary documents of proof. *The form won't let you move forward without a phone #, so put in 0s
