Little Wishes Make Great Impact

GUITAR STRINGS FOR A BROKEN GUITAR

During a home visit, a patient mentioned he plays guitar, but the strings were broken. The following week, his chaplain and social worker presented him with new strings, and soon after, he began to open up and talk more. Thank you for opening the door to discussion with this Angel Fund gift!

Clean and Comfortable

WELCOME BAGS FOR VISITING FAMILIES

Welcome bags filled with beautiful smelling soap, lotion, and hair care items are purchased through the Angel Fund. These bags are given to family members at our hospice homes to make their time with us more comfortable. Thank you for providing care to families as well as our patients!
